Proud of our long history

Kaneda's foundation

A century ago, in the heart of Tokyo Kaneda was born, a modest Japanese restaurant that, over time, has become a culinary icon of the city and an international benchmark. Founded in 1919 by chef Teisuke Kaneda, this establishment has maintained an unbreakable tradition of excellence in preparing authentic Japanese dishes. From humble beginnings, Kaneda has cultivated a welcoming atmosphere that seamlessly fuses Japanese elegance with the hospitality of its staff. Over the years, her reputation has been built on her commitment to quality, using fresh ingredients and traditional culinary techniques.

A long culinary heritage

Since its founding, the restaurant has maintained a close relationship with its suppliers to guarantee the quality of the ingredients. Kaneda chefs have dedicated themselves to perfecting their culinary skills through constant training and mastery of traditional Japanese cooking techniques.

Advances have only strengthened their commitment to culinary excellence. In each dish, each flavor, and each presentation, there is testimony to a story of determination, passion and the search for perfection. Kaneda prides as a beacon of Japanese haute cuisine.

A gastronomic destination

Today, Kaneda Restaurant continues to thrive and maintain its status as one of the most respected dining destinations in Japan and around the world. Its focus on quality, authenticity and innovation has allowed it to maintain a loyal clientele and attract visitors from all over seeking an unparalleled culinary experience.

Additionally, Kaneda has embraced sustainable trends, incorporating environmentally friendly practices into its operation, which has generated greater appreciation from a clientele increasingly aware of the importance of sustainability.

The first option among the highest

Although it is difficult to reserve a table, whenever my company does not know where to go I come to this mythical restaurant and surprisingly my employees regain the strength to meet their objectives just like in the times of samurai!"

- Yasunori Kato, CEO of Tokyo Hegemon
